# GON GON GON GON

ZZZZZZ

THE ENGINE'S  
COOLING SYSTEMS  
ARE REACHING THEIR LIMIT!  
I'AM STILL 5KM SHORT  
OF THE TARGET  
LANDING SITE,  
THIS IS GETTING SCARY.

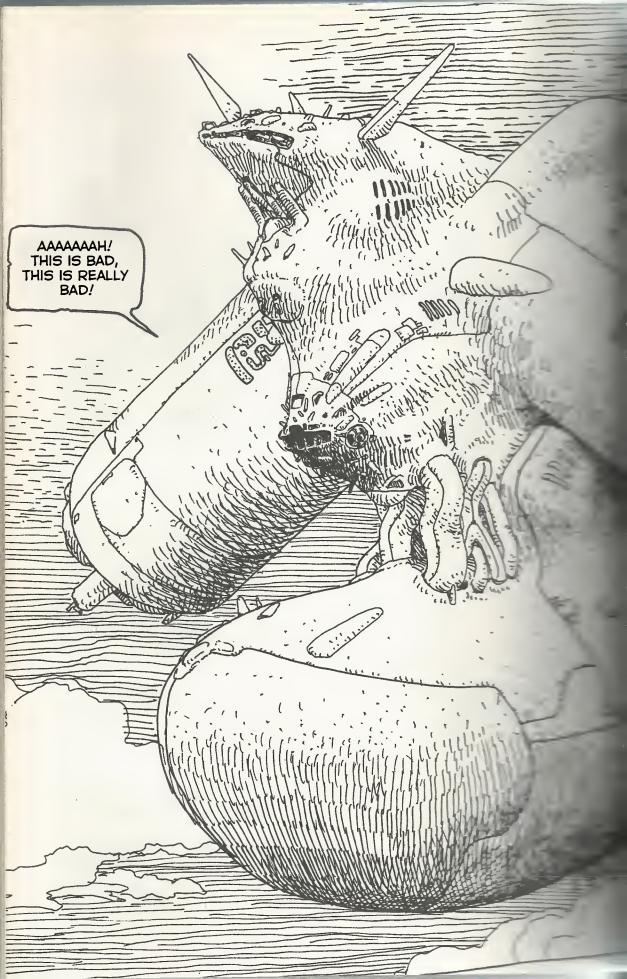

GONN

GONN

GONN

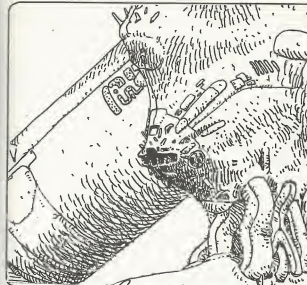

GONN

THE REFURBISHED IMPERIAL WARSHIP,  
ADAM'S LAMP, HAVING RECEIVED  
THE LORD'S APPROVAL, GOES  
FORTH TO SUMMON THE DRAGON.

AAAAAAAH!  
THIS IS BAD,  
THIS IS REALLY  
BAD!

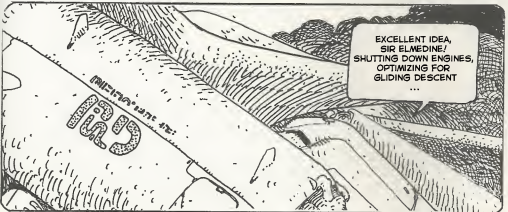

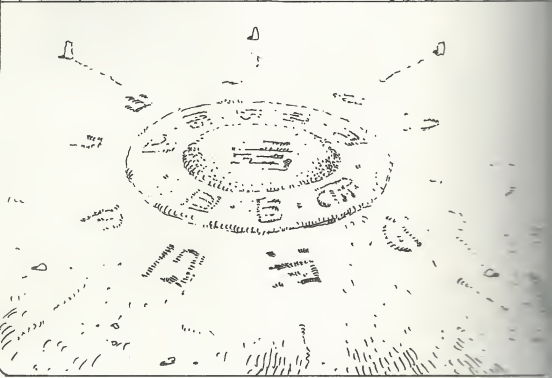

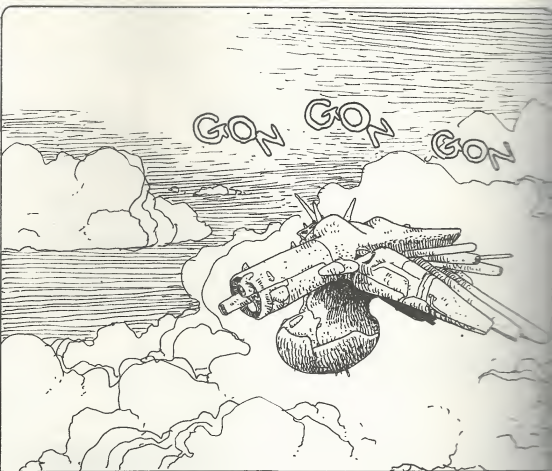

THE ENGINES  
ARE AT THEI LIMIT!  
ENGINE TEMPERATURE  
AT 1054 CELCIUS...  
1056 CELCIUS...  
SIR ELMEDINE,  
ORDERS?

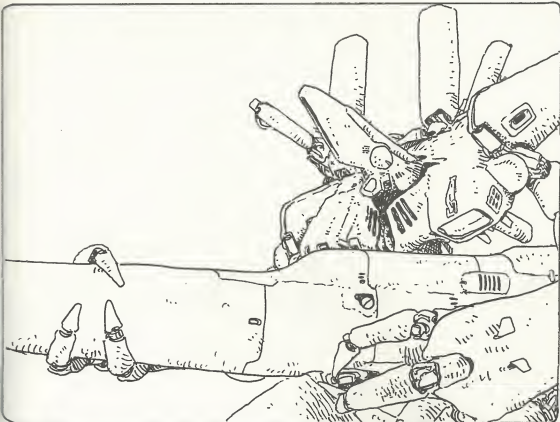

CUT POWER TO  
THE ENGINES/  
WE'LL HAVE TO  
MAKE DO WITH  
OUR CURRENT  
MOMENTUM.

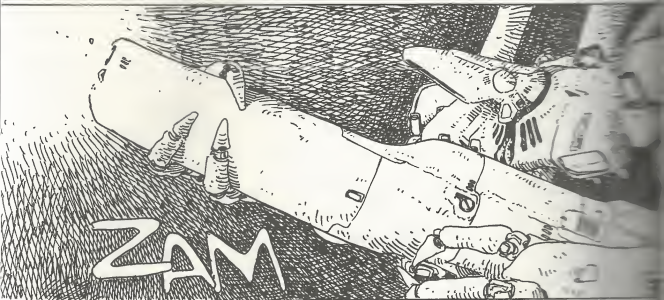

EXCELLENT IDEA,  
SIR ELMEDINE!  
SHUTTING DOWN ENGINES,  
OPTIMIZING FOR  
GLIDING DESCENT  
...

ZAKI!!

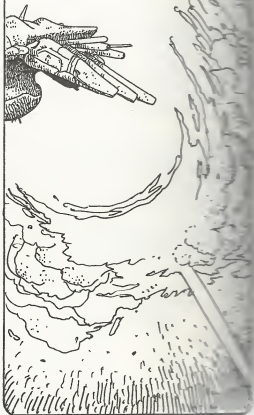

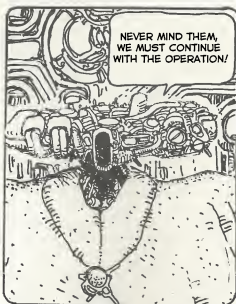

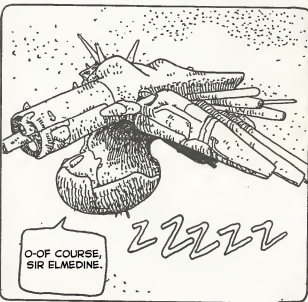

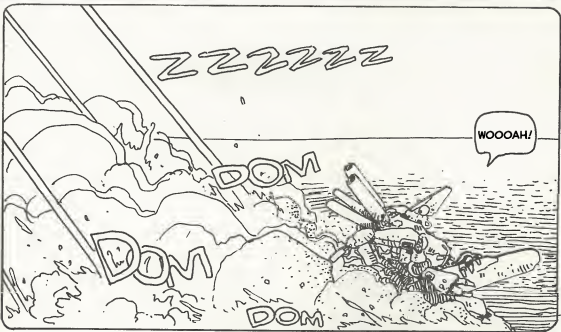

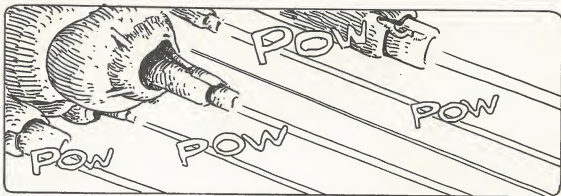

SEEMS THEY'VE  
GOT A PROTECTIVE  
BARRIER INSTALLED.  
HAVE TO ADMIT,  
THEY'RE SMARTER  
THAN THEY LOOK.

RECKON  
I'D BEST BE  
SKEDADDLIN'

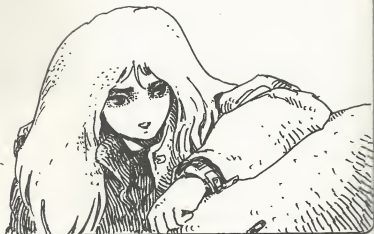

SMASH!

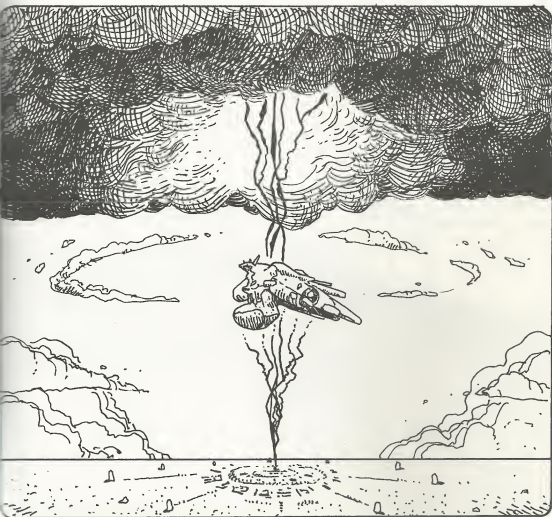

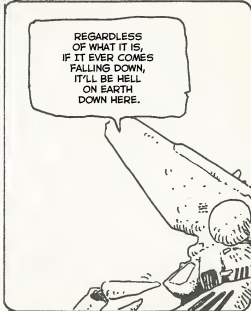

HEY, WHAT'S THIS  
"DRAGON" THING  
ANYWAY?

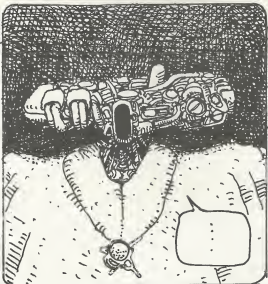

WELL, CAN'T SAY  
I KNOW MUCH.  
HEARD A FEW RUMORS  
HERE AND THERE ABOUT  
AN ANCIENT MACHINE  
THAT CAN BE  
SUMMONED HERE.

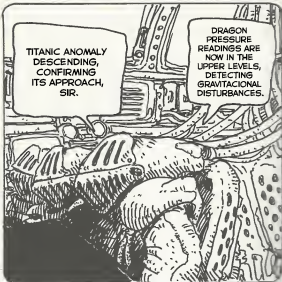

I'D BET IT WAS ONCE AN  
ORBITING MILITARY SATELLITE  
WITH WHICH ALL CONTACT  
WAS LOST LONG AGO.  
I'D ALSO BET THAT ELME  
KNOWS A WHOLE LOT  
MORE ABOUT IT THAN I DO.

TITANIC ANOMALY  
DESCENDING,  
CONFIRMING  
ITS APPROACH,  
SIR.

DRAGON  
PRESSURE  
READINGS ARE  
NOW IN THE  
UPPER LEVELS,  
DETECTING  
GRAVITACIONAL  
DISTURBANCES.

WELL, DAMN.  
HERE IT COMES  
FALLING DOWN.

ANYWAY,  
I'LL BE OVER  
HERE  
FINISHING  
MY LUNCH.
